

THE RITZ THEATRE

December 1, 2020

Dear Friend of The Ritz Theatre,

My favorite part of any performance at The Ritz Theatre happens after final bows have been taken. I stand in the lobby and listen to people as they leave. I hear people talk about the performance...about how much they have enjoyed themselves...about how beautiful the theatre is...about how lucky Tiffin is to have such a wonderful resource. When I thank people for their comments, I am not only speaking for myself, but for the countless number of people that have made The Ritz what it is today through their passion and support of the organization throughout the years.

This has been a different kind of year. The lobby has been silent. Little applause echoes through the house. The stage that has hosted so many international stars, as well as regional and local talent, is now occupied by a single, solitary light – the ghost light.

Everyone at The Ritz is passionate about providing you with the best in the performing arts. We continually need the support of people who share our passion. We are fortunate to have The Ritz Theatre in our community at a time when so many organizations like ours are shutting their doors forever. We are in a position to weather this storm, but we need your help to make this possible.

Please contribute to The Ritz Theatre's annual fund drive this year. Your support is essential.

Thank you for your support.

With best wishes

Michael Strong, Executive Director

P.S. The theatre is more than a pastime in Seneca County. It is an engine that helps drive our economic health.

Yes! I know the value of a vibrant cultural institution in our community, and I would like to support The Ritz!
